Skills & Attributes

- :: Proficient in Adobe InDesign, Photoshop, Illustrator, and Acrobat Pro
- :: Familiar with Adobe GoLive, Quark Xpress, and HTML
- :: Eager and fast learner
- :: Desire to complete projects before their deadlines
- :: Positive attitude and ethical integrity

Work Experience

Senior Designer – 5 Star Sports Calendar LLC
August 2009 – Present

At 5 Star I design print materials for charities, athletic programs for high schools, and promotional pieces for the company. I also developed the logo and brand identity for 5 Star Sports. I meet with clients to discuss their needs and request quotes from printers. I track and delegate jobs to my coworkers to ensure deadlines are met.

Freelance Graphic Designer

June 2006 – August 2009

My freelance projects covered a wide range of design jobs for many clients. I designed advertisements, websites, catalogs, vector illustrations, and company logos.

Technical Designer in Electronic Prepress – DaySpring Cards

January 2004 – June 2007

As a technical designer, I preflighted the InDesign and Quark files of cards, calendars, etc. to meet industry standards. I also performed color and image corrections in Photoshop and occasional graphic design work on gift products.

Metadata Filer – DaySpring Cards

July 2002 – December 2003

As a metadata filer, I compiled and entered keywords for images in an art database. I also scanned and archived physical artwork.

Educational Background

John Brown University 2002 – 2006
Bachelor's Degree in Graphic Design
Magna Cum Laude Graduate

Greenland High School 1999 – 2002
Valedictorian
